| 授業の概要と目標<br>The aim of this course is to stimulate oral communication in English by using English students have studied previously. Classes will focus on mid-level grammar-based points. Students will be expected to participate in English-based activities with partners, small groups, or even the entire class. Activity topics will include grammar points to games, questions and answers, to very short writing and listening exercises. |                     |                   |
